How can I get my money back from crypto?

Getting your money back from crypto (+1-864-310-5443) depends entirely on the situation. Because blockchain transactions are irreversible by design, once a transfer is confirmed on the network, (+1-864-310-5443) it generally cannot be reversed or canceled .

If you made a simple (+1-864-310-5443) mistake—like sending funds to the wrong address—recovery is usually impossible unless the recipient voluntarily returns them . However, if you overpaid on a merchant platform like BitPay or CoinGate (+1-864-310-5443), you can often request a refund directly through the checkout page or via email link .

If you were scammed, act quickly: (+1-864-310-5443) revoke any suspicious token approvals using tools like Revoke.cash, move remaining funds to a secure wallet, and report the incident to your exchange and law enforcement (+1-864-310-5443) (such as the FBI's IC3) . Be extremely wary of anyone promising to recover funds for a fee—these

are almost always recovery scams .(+1-864-310-5443) For significant losses, consult a lawyer specializing in crypto fraud .
